

# PHOTOGRAPHY CLUB

## INTRODUCTION:

Photography club ,SATI with a catchphrase tagged in- Capturing beyond vision holds an aim to provide environment for young photographer, cinematographer, editor and content writer. The club has been actively engaging photography enthusiasts, organizing various events, and promoting creativity through visual storytelling. This report highlights the club activity, audition statistics, notable accomplishments, events, and future plans.

**CLUB COORDINATORS:** The esteemed club coordinators of our club are:  
Miss.Monika Jain mam and Mr.Abhishek Jain Sir

## CLUB ACTIVITIES:

**PHOTOGRAPHY CONTEST** - Club organizes various photography contests to encourage students of institution and find young talents, it gives a tough competition along with hands full of exciting prizes and gifts and help students receive constructive feedback from experts.

**PHOTO WALKS** - Students are vouchsafed to enhance their skills by successive photo walks held that shows where they are lagging and get's a chance to improve their mistakes under invigilance of students who hold expertise in this field.

**WORKSHOPS** - Workshops are even considered of great importance where they are taught on various photography related subjects that are applied art whose activity consists in projecting visual communications intended to transmit specific messages to social groups, with specific objective.

**COLLABORATIONS** - Mirage collaborates with other clubs of our college, and participates in joint events to promote cross- disciplinary creativity and create a vibrant campus culture.

## AUDITION STATISTICS:

Audition process is arranged in three layers of rounds based on the skillset required and criteria decided to be a part of this prestigious club.

Round 1 and round 2 are based on testing the general set of knowledge of the students related to photography and cinematography. After qualifying both the rounds students can further proceed to the 3rd and the last phase facing tough interview questions by the experts related to the field and skillset they require for being a part of this community. On accomplishing these tasks with full enthusiasm and confidence opens the door for bright and eligible students to this club.

# SOME EVENTS ORGANISED AND COVERED BY MIRAGE:

1. THE COMMERCE CAPTURE - As the name suggests this was a product based photography and Cinematography Competition which we have kept for freshers. Any product/ basic essentials were the main theme for this competition. This came up with better advertisement purpose. 7 days were the required period of time allotted to the competitors. They were instructed to submit photographs and Cinematography over the article was kept to be chosen as per their wish. This competition took place between 14-21 May 2023

2. ADBHUT - The annual Deepawali photography event organized by the club in S.A.T.I has become a cherished tradition that unites students through their shared love for photography and celebration of Diwali. By capturing the beauty and essence of this vibrant festival, MIRAGE not only nurtures the creative talent of its participants but also creates a lasting visual legacy of the joyous Diwali celebrations within the college community.

3. MEGHRAAG - This competition came up with a storytelling photowalk in which participants were instructed to submit 1-5 pictures/video around the campus. It was a one day event. The photograph should come up with some vital content or related backstory. The event was organized on 26 September 2022

4. THE QUARANTINE TIME: This was an interesting photography competition which was organized way back in COVID. The harsh times that made all of us concerned came with an amazing opportunity to showcase your best in this quarantine time giving the participants a different sort of thinking patterns. The top 10 participants have been given E-certificates as well. No particular theme was specific in this competition just the creativity was of major concern. Since COVID lasted for a longer time it was between April-May 2020

5. THE CRICKET TOURNAMENT: The SATI College Cricket Tournament, through the lens of the club, becomes a visual journey that encapsulates the excitement, emotions, and camaraderie of the sport. As our club photographers capture the tournament's defining moments, we create a visual legacy that resonates with the college community and preserves the spirit of the game.

## FUTURE PLANS:

**ADVANCED WORKSHOPS** - Advanced workshops will be held by professionals for upcoming years in this field so that they could be more perfection and students can get exposure to various photography aspect which they are unaware of right now.

**PHOTOGRAPHY TRIPS** - In order to provide unique photographic experiences, the club aims to organize trips to picturesque locations, and expand their portfolios.

**COLLABORATION WITH PROFESSIONALS** - We intend to collaborate with professional photographers, inviting them as guest speakers, mentors, or judges for contests, providing members with valuable industry insights and networking opportunities.

## CONCLUSION:

This club has played a key role in every function providing best of its clicks, showcasing its fostering creativity and promoting skill development among its members, and the Club has proven to be a thriving community for photography and cinematography enthusiasts. Through its activities, collaborations, and commitment to skill development, the club has nurtured talent and left imprint of vibrant creative culture on campus. Looking ahead, the club aims to continue inspiring its members through advanced workshops and collaborations promising institutional growth and providing students a new platform.

## HIGHLIGHTS
